BIG RACE MEET

Will Race Here
July 4.Fastest Horses in the West Will
Be Entered in the Vari-
ous Events.

Manager W. S. Jones of the Salt Lake Driving association received a couple of letters yesterday from Paul Hammer, Jr., who has been attending the circuit races at Denver during the past week, in which the latter states that the attention of the prominent horsemen at that meet is now centered on the coming programme of races scheduled for Agricultural park during the latter part of next month, and that all of them have signified their intentions of shipping their stables of horses over here for the big event.

Fine Horses Coming.
Not only that, but they propose to send over the pick of their horses to take part in the fine programme that Manager Jones has arranged for the Fourth of July. The fastest horses in the West will be entered in the various events on that holiday, and a specialty will be made of the running races in view of the fact that the Westworth stable of runners will be here for that day, and also the grand meet. This is the first time that this famous owner of running horses has ever brought his stable of runners to the Salt Lake meet, and the followers of that line of racing will be given the finest exhibition that has been held in Utah since its inception.

May Hold Derby Day.
The horsemen over in Denver, who intend to bring their racers here, have suggested that it would be a good plan for the management of the local track to hold a derby day during the July meeting, and Manager Jones has fallen to their proposition and will announce the date later.
C. J. Crabtree and Dr. Humelbaugh, it was said yesterday, have withdrawn their horses, Crabapple and Angle Duree, from the Derby race, and will ship them back to Zion in time to have them in condition for the Fourth of July meet.

Meet at Logan.
Up at Logan the horsemen have laid out a splendid track and will give several fine meets during the season. On the Fourth of July there will be a grand meet, at which purses amounting to \$7500 have been hung up. Entries have been coming in fast and horses that can do 2:35 and 2:20 are among the number. Yesterday there were a few trial heats run off, and a balloon ascension at the new park.

Yesterday he and Manager Shepard got together and agreed to a contest here, with the provision that the big leaguers will play a return date at Logan on Friday. On Saturday and Sunday the Logans will play with the strong Murray team at Murray, Ogden and Salt Lake are slated to work down at Walker's on these same days.

Manager Heagren
Makes a Winning

Obtains Lease of New Los Angeles
Track for the Coming
Winter.

Manager Harry Heagren of the saucer track closed one of the most important deals that has ever been chronicled in the cycling history of the West when he received a letter from A. G. Batchelder, president of the N. C. A., stating that Heagren had been given the franchise on the new Los Angeles track, and would hold a racing carnival there immediately after the close of the season in this city.

The choice of the Angelenos could not have been better and was made out of a bunch of about fifteen candidates. Heagren understands thoroughly all the fine points of the sport and knows how to handle the riders.

This will mean racing during the entire year. At the close of the present season Manager Heagren will take the riders now at the track and ship them all to Los Angeles, where they will work during the winter months, returning to Salt Lake for the summer season.

The programme for Friday's races includes a one-mile sprint match race, best two in three heats, between Billy Samuelson and Jim Hopper, five-mile motor race between Eddie Smith and E. R. Heagren; three-mile open lap, professional, and a quarter-mile dash, amateur.

Lewis and Davis Off for Coast.
Prof. Frank S. Lewis and Terry Davis, the clever little boxer of this city, left for Los Angeles last night, where Davis has secured a match.

After the boxing place, Davis will go to San Francisco, while Lewis will chase to El Paso, Ariz., where he is matched to wrestle Sid Varny. After that event comes off, Lewis will go to Portland, where he has another match in view, and then he will join Terry on the coast and handle him in his coming bouts.

ARRESTED FOR BETTING.
St. Louis Bookmakers Placed Under Bonds for Appearance.

ST. LOUIS, June 20.—The case of George Ehrlich, arrested last Sunday at Delmar race track on the charge of having violated the law which prohibits bookmaking and betting at race tracks, was today continued for one week in order to secure additional evidence. Ehrlich was released, together with V. Kintz and K. Miller, on similar charges.

The three men were placed under arrest just as the last race was being run, and the authorities also took racing sheets and money from them to be used as evidence. Bond was immediately furnished and the men were released. Their cases were set for hearing next Tuesday in a justice's court at Wellston. Ehrlich's former bail also be called the same day in the same court.
